I. Schroeder 
Hamburg KG

Description	Founded in 1953 and based in Hamburg, I. Schroeder KG is a family-run business with a long-standing history in the international food trade. The company's core activities are the import, export, and wholesale of canned and frozen foods, supplying customers across retail, wholesale, and the food industry. I. Schroeder KG is one of Europe's leading suppliers of bottled and canned foods, as well as frozen products, serving major food retailers, discounters, and industrial companies worldwide. Its aim is to manufacture high-quality products in large quantities and offer them at favourable prices, while placing customer service at the centre of its business. With a broad product portfolio, decades of experience, and three of their own production sites, the company is well placed to serve diverse customer requirements and support reliable, large-scale supply. I. Schroeder KG is now seeking to expand its presence in the British market.
